

Research Internship

About the Role

The Analyst Research LLP offers internship opportunities for research placements. Start dates are flexible and the positions are paid. As a research intern, you will be assisting our team of analysts in their work. This includes researching securities of target industries and companies, collecting and interpreting company data, developing and writing research reports, and financial modelling. This is an exciting opportunity to be at the cutting edge of high-impact, actionable ideas, to be delivered directly to senior and influential clients looking for exceptional ideas.

About Us

The Analyst Research LLP is a leading independent equity research provider, delivering differentiated stock recommendations to an exclusive group of clients comprising of a number of the world's leading mutual funds and hedge funds. We undertake fundamental company research using rigorous and diligent processes with a long-term investment horizon, setting aside short-term noise and market chatter. Our research is unrestricted by geography or sectors and we travel the world to uncover the best stock picks for our clients.

Relevant Skills, Knowledge, and Experience

The ideal candidate will have:

- Driven and entrepreneurial spirit, initiative, and ambition
- Desire and aptitude to work within equity markets
- Excellent academics in any degree discipline
- Excellent analytical skills
- Ability to communicate effectively and express complex ideas succinctly
- Knowledge and interest in industry happenings and current events
- Independent thinker who thrives on challenges
- Proficiency in Bloomberg would be an advantage

How to Apply

We invite interested candidates to submit their CV and cover letter, along with a maximum 300-word investment thesis on one stock that you believe presents an exciting investment opportunity today (can be long or short) to recruitment@theanalyst.co.uk.

Deadlines

Whilst we do recruit on a rolling basis, we do encourage you to apply early as we may close applications if we reach our capacity.
