

Equity Research Analyst Role

About Us

The Analyst Research LLP is a leading independent equity research provider, delivering differentiated stock recommendations to an exclusive group of clients comprising of a number of the world's leading mutual funds and hedge funds. We undertake fundamental company research using rigorous and diligent processes with a long-term investment horizon, setting aside short-term noise and market chatter. Our research is unrestricted by geography or sectors and we travel extensively to uncover the best stock picks for our clients.

About the Role

The successful candidate will work within a team of seven analysts. Work is done largely independently and from the outset you will be responsible for:

- Identifying investment ideas
- Meeting management teams in the UK and overseas
- Financial modelling of companies
- Writing investment research
- Partaking in conferences and video presentations
- Communicating your work directly to our clients

Relevant Skills, Knowledge, and Experience

The ideal candidate will have the following qualities:

- Minimum 3-4 years of experience within an equity research team
- Passionate about equity markets
- Independent thinker who thrives on challenge
- Excellent analytical skills
- Ability to communicate effectively and express complex ideas succinctly

How to Apply

We invite interested candidates to submit a summary CV and cover letter to gs@theanalyst.co.uk.
