### About the Role

The Analyst Research LLP are offering an exciting opportunity to join our creative team, reporting to the Head of Creative. The internship will focus primarily on supporting our graphic design output, with the opportunity to work across a variety of tasks and collaborating with different areas of the business. The internship will last for three months, with the possibility of full-time employment for successful candidates.

### Key Responsibilities

- Creating infographics and data visualisations to support our research product:
  - Collaborating with our research team to help simplify complex data sets into easy-to-understand infographics and visuals
  - Includes both standalone visualisations and 'mini-visuals' within written research reports
- Creating and updating marketing materials adhering to our brand guidelines, including:
  - Working with our sales team to maintain all marketing flyers and documents
  - Presentations and promotional materials for conferences
  - Static and animated content for our social media channels
- Framework and digital-focused design to improve our website and app:
  - Supplying detailed mock-ups and collaborating with our external development team as we continue to improve our website and app
  - Incorporating user feedback and strategic business goals to continually innovate our digital offering

### Relevant Skills, Knowledge, and Experience

- Degree in graphic design, graphic communication, or similar
- Strong knowledge of the Adobe Creative Suite, in particular Illustrator
- Interest in data visualisation and infographics within graphic design
- Ability to take complex data and present it in a simple but visually interesting end product
- Working knowledge of MS Suite, in particular PowerPoint for building presentations
- Good communication and presentation skills
- Team player, ready to learn and collaborate with other members of the creative team as well as other areas of the business
- Experience of video production and editing would be an advantage but not essential
- Knowledge of the financial industry is preferred but not required
